PUT YOUR LIFE ON IT®

Western Digital, WD, the WD logo, My Book, My Passport, WD Caviar, WD Scorpio, WD VelociRaptor, WD TV, and Put Your Life On It are registered trademarks in the U.S. and other countries; WD GreenPower Technology, WD SmartWare, My Book Essential, My Book Studio, My Book Studio Edition, My Book Live, WD Photos, My Book World Edition, WD ShareSpace, My Passport Essential, My Passport Studio, WD TV Live, WD TV Live Hub, WD Livewire, WD Elements, WD Elements Play, WD Caviar Blue, WD Caviar Green, WD Caviar Black, WD Scorpio Blue, and WD Scorpio Black are trademarks of Western Digital Technologies, Inc. Other trademarks may be mentioned herein that belong to other companies. Pictures shown may vary from actual products. Data reflects products in production as of April 2011. Not all products may be available in all regions of the world. Product specifications subject to change without notice. Warranties vary by region. Visit support.wdc.com/warranty for details.

As used for storage capacity, one megabyte (MB) = one million bytes, one gigabyte (GB) = one billion bytes, and one terabyte (TB) = one trillion bytes. Total accessible capacity varies depending on operating environment. As used for buffer or cache, one megabyte (MB) = 1,048,576 bytes. As used for transfer rate or interface, megabyte per second (MB/s) = one million bytes per second, and gigabit per second (Gb/s) = one billion bits per second.

Compatibility with Windows and Mac operating systems may vary depending on user's hardware configuration and operating system. For products powered by FireWire or USB, a special cable is available for the few computers that limit bus power. Examples of the number of photos, songs, and any other files that can be stored on a hard drive are provided for illustrative purposes only. User's results will vary based on file size and format, settings, features, software, and other factors.

COMPANY OVERVIEW

WD,[®] one of the storage industry's pioneers and long-time leaders, provides products and services for people and organizations that collect, manage, and use digital information. The company designs and produces reliable, high-performance hard drives and solid state drives that keep users' data accessible and secure from loss. Its advanced technologies are configured into applications for client and enterprise computing, embedded systems and consumer electronics, as well as its own consumer storage and home entertainment products.

WD was founded in 1970. The company's storage products are marketed to leading OEMs, systems manufacturers, selected resellers, and retailers under the Western Digital[®] and WD brand names. Product, financial, and investor information is available on the company's website at ***www.westerndigital.com***.

WD Caviar® Blue™
SATA/PATA Hard Drives

Performance and reliability for everyday computing.

WD Caviar Blue 3.5-inch hard drives are available with either SATA or PATA interface in a variety of cache sizes with a multitude of available features to deliver performance and reliability perfect for everyday computing.

Capacity: 80 GB - 1 TB • SATA 6 Gb/s, SATA 3 Gb/s, PATA 100 MB/s
Compatible with Windows and Mac OS
3-year limited warranty (worldwide)

WD Caviar Green™
SATA Hard Drives

Cool, quiet, eco-friendly.

WD Caviar Green 3.5-inch SATA hard drives reduce power consumption when compared to standard desktop hard drives and offer best-in-class acoustics and operating temperature.

Capacity: 750 GB - 3 TB • SATA 6 Gb/s, SATA 3 Gb/s
Compatible with Windows and Mac OS
3-year limited warranty (worldwide)

DESKTOP DRIVES

WD Caviar Black™
SATA Hard Drives

Maximum performance for power computing.

WD Caviar Black high performance 3.5-inch SATA hard drives combine 7200 RPM high-performance spin speed, 32 MB or 64 MB cache, SATA 3 Gb/s or 6 Gb/s interface, and up to 2 TB capacity for the ultimate in power computing. Backed by a 5-year limited warranty.

Capacity: 500 GB - 2 TB • SATA 6 Gb/s, SATA 3 Gb/s
Compatible with Windows and Mac OS
5-year limited warranty (worldwide)

WD Scorpio® Blue™

SATA/PATA Hard Drives

Big capacity for portable computing.

WD Scorpio Blue SATA and PATA 2.5-inch hard drives offer high-performance, low-power consumption storage for portable digital devices of all kinds.

Capacity: 80 GB - 1 TB* • SATA 3 Gb/s, SATA 1.5 Gb/s, PATA 100 MB/s
Compatible with Windows and Mac OS • 3-year limited warranty (worldwide)

*1 TB models are 12.5 mm high and may not be compatible with all notebook systems.
Consult system specifications for maximum allowable drive height before attempting to install.

WD Scorpio Black™

SATA Hard Drives

Desktop-class performance for notebook computers.

WD Scorpio Black 7200 RPM SATA 2.5-inch hard drives deliver desktop-class performance and power efficiency for longer notebook battery life.

Capacity: 160 GB - 750 GB • SATA 3 Gb/s
Compatible with Windows and Mac OS
5-year limited warranty (worldwide)

WD VelociRaptor®

SATA Hard Drives

Bigger. Faster. Hungrier.

The PC enthusiasts’ favorite 10,000 RPM hard drive is still the fastest, most dangerous carnivore around - now with an ultra-fast 32 MB cache and twice the capacity of previous generations. The 2.5-inch drive is also available in a 3.5-inch enterprise-class mounting frame (shown here).

Capacity: 150 GB - 600 GB • SATA 6 Gb/s, SATA 3 Gb/s
Compatible with Windows, Windows server, Linux, and Mac OS
5-year limited warranty (worldwide)

WD S25

SAS Hard Drives

High performance. Low power.

Small form-factor 2.5-inch WD S25 SAS drives offer the powerful combination of enterprise-class performance and reduced power consumption required for demanding high-performance computing and mission-critical environments.

Capacity: 147 GB - 600 GB • SAS 6 Gb/s
Compatible with Windows, Windows server, Linux, and Mac OS
5-year limited warranty (worldwide)

WD RE4

SATA Hard Drives

Fast, reliable, and enterprise-ready.

Ideal for servers, video surveillance, and other demanding write-intensive applications, WD RE4 7200 RPM Enterprise SATA hard drives offer massive 2 TB capacity, 64 MB cache, fourth-generation vibration tolerance, and a 5-year limited warranty.

Capacity: 250 GB - 2 TB • SATA 3 Gb/s
Compatible with Windows, Windows server, Linux, and Mac OS
5-year limited warranty (worldwide)

WD RE4-GP

SATA Hard Drives

Faster and greener.

WD RE4-GP SATA hard drives offer data-hungry organizations massive capacity with significant power savings and lower cost of ownership.

Capacity: 1.5 TB - 2 TB • SATA 3 Gb/s
Compatible with Windows, Windows server, Linux, and Mac OS
5-year limited warranty (worldwide)

WD AV-GP

SATA Hard Drives

Cool, quiet, reliable AV drives with WD GreenPower Technology.™

Power-conserving WD AV-GP hard drives take advantage of WD GreenPower Technology to deliver cool and quiet operation and reliability that is perfect for audio video applications.

Capacity: 160 GB - 2 TB • SATA 3 Gb/s
Compatible with Windows and Mac OS
3-year limited warranty (worldwide)

WD AV

SATA/PATA Hard Drives

Designed for demanding audio and video environments.

WD AV hard drives deliver the characteristics CE manufacturers seek most: smooth streaming; whisper-quiet acoustics; low-power consumption and thermally optimized operation for unparalleled reliability.

Capacity: 160 GB - 500 GB • SATA 3 Gb/s, PATA 100 MB/s
Compatible with Windows and Mac OS
3-year limited warranty (worldwide)

WD AV-25

SATA Hard Drives

Engineered to thrive in 24x7 streaming environments.

WD AV-25 hard drives are the cool, quiet and reliable storage choice for demanding always-on read/write applications. With a SATA 3 Gb/s interface, 16 MB or 32 MB cache, and up to 500 GB capacity this 2.5-inch drive is ideal for DVRs, digital video surveillance and other small form factor environments where low power consumption and reliable operation are critical.

Capacity: 160 GB - 500 GB • SATA 3 Gb/s
Compatible with Windows and Mac OS
3-year limited warranty (worldwide)
